## **Cookie – Australian Cattle Dog – Red Heeler 18 Mos.**

**This is Cookie, a 1.5 year-old female Australian cattle dog, also called red heeler. Cookie was rescued from a backyard breeding situation with her mate and pups, who have all been adopted. Cookie was recently spayed and is now ready for adoption too! She is the sweetest, most affectionate girl. She is obedient and submissive to people, and all she wants in this world is their love and attention. She is calm when you want her to be and ready to GO when you say the word! She has an incredible nose and high prey drive, yet gets along with other pets and is amazing with children. She'd make a fun pet for an active family or a loyal companion for someone that wants to put her intelligence and breed traits to work. She's a very special girl and will make her adopter a very lucky pet parent. She has been tested for tick borne diseases, and is neg. and has been vaccinated and chipped, dewormed. All medical records provided. Adoption donation of \$150 to Paws4You rescue. She is living in Miami and can be brought here for approved applicant. Please call 305-793-2548**

A formation of 11 biplanes flying in a V-shape against a sunset sky. The planes are arranged in a central column with two rows of two planes on either side. The sky is filled with large, billowing clouds that are illuminated from below by the setting sun, creating a warm orange and yellow glow. The overall scene is captured from a low angle, looking up at the aircraft.
